

JULY 2020

SONOP and OUR COMMUNITY

Sonop Farms donated dropper poles to the **EHW Baard Primary School**, Noordoewer to assist them with the necessary COVID-19 preparations for the children returning to school on the 22nd of June 2020. We wish the teachers all the best to create a safe and hygienic environment in the COVID-19 regulations and situation. The safety of children is extremely important, because today's young generation is our country's future.

Sonop is glad we were able to contribute to the school. In the near future we will be visiting the school again to see how they are progressing with the tippy tap stations on the school grounds.

WELCOME to the SONOP Family - ELLA

We are very happy to announce that on the 3rd of June, beautiful ELLA was born.

Congratulations to **Nico and Zaan van der Merwe**.

We hope that she will be a bundle of joy for you and the boys.

We all are so grateful to welcome Ella into our Sonop family.

May God give you His Grace to raise her in His ways.

SOUP KITCHEN

Sonop was privileged to spoil the community's elderly and children on 12 June 2020, with a delicious mug of butternut soup and fresh bread.

Sonop want to thank the AGS church for being able to use their premises and thanks to Marais and Leatitia for assisting us with this project. It was so nice to see the children's appreciation and excitement on their faces for hot soup on such a cold day!

What a blessing it was for us to be able to give, for that is the heart of God.

PROSPECTS FOR THE MONTH OF JULY

Sonop is excited about the butternut harvesting that is fully underway. The sorting machine is in full operation. Yields are looking promising and the prospects is to harvest until the end of October.

The Makalane team will start with training on the 29th of June 2020 and then start pruning on the 6th of July 2020.

The Sonop 3 team will start training on the 15th of July and start pruning on the 20th of July 2020. Pruning is a very critical and accurate action and the foundation of our season.

Good luck to the grape team, we are looking forward to enjoying the fruit of your focused efforts.

Tomato production is a continuous operation for the month of July and the volumes are still increasing.

The outstanding quality is a result of all the effort of every individual.

May everyone's hard work and preparation be met with a successful 2020 season.

"He cuts off every branch in me that bears no fruit, while every branch that does bear fruit he prunes so that it will be even more fruitful."
